UPDATES:

Welcome to 2026! We hope everyone had a wonderful holiday season. Congratulations to the winners of the Langdon Christmas Glow Up: Andrea Golden, Brad Zanidean, and Brian & Michelle Knowler. 2025 was a great year and the LCA is looking forward to all the exciting things to come this year. Monthly bingo will continue, and we have some fun new events, too! Starting this month and running through April, the LCA will be hosting Craft & Create Weekends on the fourth weekend of the month. We are looking for community members to share their creativity and teach "Come Try" nights on Fridays. Follow the [Craft & Create Weekends Facebook page](#) for more information.

We will also be hosting monthly double feature movie nights at the Fieldhouse, with the first scheduled for Friday, January 9. Follow the LCA on social media for more details on what movies will be shown. The LCA has teamed up with Trellis Society for two new events: Breakfast with Dudes and Mom & Mini. Male caregivers and the kids in their lives are invited for a free breakfast at the Fieldhouse on select Saturdays, starting on January 31. And on Mondays at the Qualico Resource Centre, moms and kids up to six years old can join for singalongs, crafts, and meaningful connections.

Save the date for the LCA's Annual General Meeting on Tuesday, February 24 at the Qualico Resource Centre starting at 6pm. We have several board positions open or up for renewal. Join us to learn more about how to get involved in the community.

LANGDON DAYS

Langdon Days is scheduled for July 17-19, 2026. Plans are already underway for our hamlet's premier summer event, and we need community members to make it happen. Every year, we have amazing volunteers who help out during the event. We also need some skilled people to take on leadership roles with the behind-the-scenes coordination. The next planning meeting takes place at the Qualico Resource Centre on Sunday, January 25 at 7:30pm. If you have experience with things like event planning, logistics, organization, volunteer coordination, or anything else you think Langdon Days could benefit from, we'd love to have you!
