Talk of the Town

Langdon Days 2026!

Langdon Days is back and better than ever! Don't worry, folks we've had a chat with mother nature and we're confident we're on the same page (hence all the June rain? Hopefully?)

As the most looked-forward to event of the season, there is something for everyone to enjoy, whether it be face painting and games at the children's festival, food trucks and classic cars at the show and shine, beer gardens, family movie night, bingo or fireworks!

There is a new parade route this year, so please take a peek at it on the next page so you can plan your seats in advance! Make sure you pack a non-perishable food item, as South East Rocky View Food Bank will be taking food donations along the parade route, and will have a bin set up in Langdon Park!

Check out all the things happening at Langdon Days on the following pages or at goodlucktown.ca/langdon-days

Langdon Days Needs You!

Langdon Days runs on neighbour power and it shows! We still have many volunteer opportunities available, please check them out and consider taking a couple hours out of your weekend to support the community!

Capital Projects Update:

Thank you to all of those who attended our Disc Golf Open House on June 23rd. We're happy to hear there's an overwhelming amount of support from the community to bring in this low barrier-to-entry sport!

We were also grateful to hear the concerns surrounding the use of the space- the LCA combined with Rocky View County are confident we can maintain a happy, healthy, safe Langdon Park while expanding the ways residents can utilize it.

We are currently working on getting the water filling station set up from McHappy Days- keep your eyes peeled!

Maintenance work is underway on the outdoor rink.
