## Fundraising Spotlight

# McHappy Days Success!

Thank you, Langdon, for your incredible support on McHappy Day! Whether you bought presale coupons, entered the Zamboni ride raffle, tried your luck in the 50/50, or simply grabbed a meal at McDonald's on May 6, you played a key role in our fundraising success. Together, we're bringing a much-needed water station to Langdon Park.

With your help, we raised a total of \$8,153.62! McHappy Day supports both their non-profit of choice (us!) and the Ronald McDonald House, so the funds were divided:

Langdon Community Association (75%): \$6,115.22  
 Ronald McDonald House Alberta (25%): \$2,038.41

## Welcome to Joel and Ryan!

The LCA is thrilled to welcome Joel Brunen as our new Facilities and Parks Maintenance worker and Ryan Mouck as Recreation Facility Attendant!

Langdon Days Sponsorship

## Langdon Businesses- We Need You!

Langdon Days is made possible by the support of our local businesses- the ones we know and love.

If you own a business and want to support Langdon Days, we'd love to have you! There's multiple levels of sponsorship available, meaning you can support in a way that works for you!

Sound like something your business or one you know of may want to take part in? Check out the ways to support here: <https://goodlucktown.ca/langdon-days>

### Sponsorship Opportunity:

**Make our Children's Festival memorable by sponsoring a dunk tank, mini golf, or carnival games!**

## Capital Projects Update:

Security fencing around the outdoor rink is up and that means that work will soon be underway!

Much-needed upgrades to our outdoor rink will improve safety by replacing the deteriorated rink structure with a reinforced, weather-resistant system, enhance functionality to support multiple activities- things like hockey, public skating, and seasonal events!

By improving the outdoor rink we can continue to foster connection among residents and attract visitors!

Thank you to Rocky View County and CFEP (Community Facility Enhancement Program) for funding this project!
