WHAT'S  
HAPPENING?

Two major  
projects  
are on  
the way

A reminder that the Fieldhouse parking lot will be completely repaved soon! The lot will be fully closed to traffic from mid-September to early October. The Langdon Community Library will be closed and other programs may choose to relocate during the parking lot paving. Access to the Fieldhouse and Langdon Park will be available via side streets. Thank you to Rocky View County for funding the repaving.

Also, the outdoor rink in Langdon Park will be replaced in the coming months. Stay tuned to social media and the Future Projects page on our website for more details on both projects.

We wanted to send a big thank you to Energizing Spaces powered by ENMAX for a grant that helped us replace our fridge and dishwasher in the Fieldhouse with new energy efficient ones. And thank you to Jumpstart for supporting this summer's tennis lessons.

The playground is back open! Thank you so much for your patience while the upgrades were made!
