BIOGRAPHY

More than just a Band - they are a movement carrying the spirit of Southern Soul and Blues into the future with passion, authenticity, and undeniable talent!

Rooted in the rich musical soil of Northeast Louisiana, Mr. TaylorMade & the TaylorMade Band bring an electrifying fusion of RnB, Soul, Funk and Blues to every stage they hit. Led by front man Mark "Mr. TaylorMade" Taylor - grandson of Delta Blues Legend Henry Dorsey of Po'Henry and Tookie fame - the band channels generations of Southern musical heritage into a sound that is both timeless and uniquely their own.

Featuring a rotating lineup of 3 to 8 powerhouse multi-instrumentalists, the TaylorMade Band is known for high-energy performances that blend hard-hitting grooves, tight vocal harmonies, and jaw-dropping solos. Whether covering classic favorites or delivering original material, Mr. TaylorMade puts his personal stamp on everything he touches, creating a dynamic live experience that moves both the heart and the feet.

Mr. TaylorMade is currently on tour with Marc Broussard playing keys. The band has also shared the stage with other RnB, Blues and Gospel heavyweights such as KeKe Wyatt, Ro James, Kim Burrell, DK Harrell, Robert Finley, and more. They were called upon to serve as an opening act for Grammy nominated RnB star Tank. In 2023, they took home the NELA Best RnB Award, and followed it up in 2024 with an impressive sweep, winning Best RnB Artist, Best Blues Artist, Best Cover Band, and Entertainer of the Year, before closing out the NELA Awards Show with a memorable performance. Their rising acclaim led to a victory at the 2024 Ouachita Blues Society Blues Challenge, and a strong showing representing Louisiana at the International Blues Challenge in Memphis, TN, where they reached the semi-finals.

Mr. TaylorMade and the TaylorMade Band were one of 12 finalists to grace the stage at the 2023 Music PrizeFest in Shreveport, Louisiana.
