

GUIDE SAEEV

HOW TO USE THE APP & FIND OFFERS

SAEEV helps you discover and use digital offers easily.

Browse

Open the app and browse offers on the home screen

Search

Use search or categories to find what you need

Select

Tap the SAEEV logo (top right of the coupon) to select an offer

Saved!

Your offer is automatically saved

To access your offers: Tap the **middle SAEEV icon** in the bottom menu

There, you'll find your coupons organized into:

Instant In-Store

Receipt+ In-Store

Instant Online

Receipt+ Online

You're now ready to start saving.

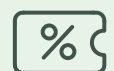

GUIDE SAEV

HOW TO REDEEM DIGITAL COUPONS (INSTANT)

Use your coupons instantly at checkout.

Go to My Coupons

Find all your saved offers in one place.

Select one or multiple offers

Choose the coupons you want to use for your purchase.

Tap to generate your code

A unique QR code will be created for instant redemption.

👉 The app creates **ONE QR code** for all selected offers

In-store:

- Cashier scans products
- Then scans your QR code
- Discount is applied instantly on the receipt

Online:

- Use the provided code at checkout
- Discount is applied Instantly

Fast. Simple. Instant savings.

GUIDE SAEEV

HOW TO GET CASHBACK (RECEIPT+)

Turn your purchases into real cashback.

Go to Receipts+ / Choose one coupon or more/Smart upload combining more than 1 offer is available.

Upload or scan your In-store or Online receipt

Our system validates your purchase

Cashback is added to your wallet within Seconds

 What you can do next: (if additional coupon is available)

Option 1 – Keep cashback

Full amount stays in your wallet

Option 2 – Convert to a new coupon

- Use part of your cashback to unlock another offer
- The new coupon appears in My Coupons
- Ready to use on your next purchase

Save now. Save again later.

GUIDE SAEEV

HOW TO COLLECT & REDEEM POINTS

Earn points every time you use SAEEV.

Each valid redemption gives you points automatically

1 Valid coupon = 1 point

 **Redeem your points anytime:**

30 points

→ 4 AED

50 points

→ 6 AED

75 points

→ 8 AED

100 points

→ 10 AED

(Values adjust to your country's currency)

When you redeem points:

- The value is added to your wallet
- Your Saver Status stays the same
- You continue progressing

More usage = more rewards.
