If you've ever wondered how to get installs that feel as good as they look, this is for you.

Clean, seamless results don't come from one method. They come from technique, placement, and attention to the details that bring everything together.

This two-day intensive focuses on tension, scalp health, color matching, blending, and cutting, so you can create extensions that look natural, feel comfortable, and grow out beautifully.

## You will learn:

- consultation & client mapping
- seamless installs from start to finish
- tension & damage prevention
- hybrid installs including k-tips
- advanced placement & customization
- hair quality, sourcing, & longevity
- intro to custom coloring wefts
