Renee' Adcock 2021 MS Senior World Leadership A graduate from Mississippi University for Women, Renee majored in accounting and started her career at Iowa Power and Light as a corporate accountant. Years later she joined PricewaterhouseCoopers in Manhattan, New York. After earning an MBA from Saint Leo University, she completed the first year of the PhD program in Organizational Leadership. Renee retired from PwC as a Director in the Corporate Treasury Practice. A retired businesswoman, Renee recognizes the value pageantry provides a woman in her career. Confidence, poise, and mastery of interview skills are a few of the transferable skills pageants offer. On-stage Q&A prepared Renee' to become a national presenter at Treasury related conferences and gave her experience relating to a variety of impromptu situations with grace and composure. As a pageant coach, she shares her experience with women who have the desire to reach their full potential. As a member of the Mississippi Association of Pageant Judges, Renee' has a deep appreciation of pageants. She has spent years in the pageant in Louisville, KY, Mr. Ashcraft currently serves as the Executive Director of Academic Operations and Institutional Effectiveness with Sullivan University. He has been in the field of higher education for 14 years and has a Master of Science in Conflict Management, as well as a Bachelor of Arts in Business Administration with a concentration in Human Resources. He will begin pursuing his doctorate degree in Winter of 2022. Mr. Ashcraft has a passion for life-long learning and working in education is his dream. Mentoring his team and seeing students succeed are what gives him the satisfaction of making a difference with the lives he impacts each day. Maria Beall Maria Beall is a long-time pageant veteran who has held titles such as Mrs. Virginia-America, Mrs., Galaxy, Ms. World Elite and Ms. US of America.

In 1985, as Miss California American Beauty, she was invited to entertain the troops on a USO Tour to Turkey, Italy, Greece, and Spain. In 1993 Susan, set the World Records for singing the National Anthem at the most events in a 24-hour period raising \$93,000 for children charities. Her world record was featured in 8 Guinness Book of World Records and to this day no one has been able to break her World Record although there have been 7 attempts. Dr. Mayra Joli South Florida's most intriguing attorneys.

A true innovator and change agent, Mayra created Fashion Night on Brickell, an annual fundraising event that generates charitable contributions to support legal services for those faced with critical legal problems who cannot afford to hire a lawyer.

Beyond her law degree, and pageant work, Mayra is a strong voice for the vulnerable. She cares deeply and compassionately for children's causes and is a powerful force to be reckoned with within her community and sphere of influence. Cultivating a personal sense of style, she uses her social media platform, enabling her to walk confidently in a new world order, speaking with passion on the most pressing issues tugging at her heart. Gregory Jones Fashion/Pageant Photographer. Born and raised in New Haven, Ct, after graduating from High School and then one year of computer school, I then moved to North Carolina. Here is where I met my lovely wife of 30 years. We have been blessed with two sons, a lovely daughter in law and one granddaughter, who is the love of our lives. I began a hobby of photography and take it more seriously it led me to study the art. Photography has opened many doors and opportunities of meeting some spectacular people. Starting off with Mrs. Virginia, the one and only Tiffani Rogers at the time. From this photo session of Tiffani, the doors opened for me to be a sponsor and a Judge for the Mrs. Virginia pageant. I have photography and judging, I am excited to be a part of this great event. Endeavors to all participants for all the hard work you have already achieved. Amrit Kaur Kaler, MD Dr Amrit Kaler is a Professor of Pathology with an experience of 15 years in teaching undergraduate and postgraduate students.

Currently, she is pursuing her passion in molecular pathology and Cancer genomics at HCG Cancer Care, Bangalore.
