

# NOW OFFERING PAY-AT-CLOSE

## Push Payment for Inspections to Closing

The Pay-At-Close Program allows homebuyers to pay for their home inspection at the time of closing instead of at time of service. Homebuyers who are either reserving on-hand cash, or hesitant to put large purchases on a credit card while the close is pending, now have a pay-later option to ensure a more comfortable home buying experience.

Excellent option for homebuyers limited on funds at time of inspection.

Provides the ability to add more inspection services that are important for the home purchase.

Easier financial planning by having all home buying-related fees scheduled for payment on set date.
