

## Buyer Reference # 230227

This Buyer is a family office focused on investing in small to mid-sized businesses. They seek to partner with talented management teams to create value with a long term investment horizon. They want to invest up to \$15 million of equity in business services, manufacturing and distribution companies. The Buyer acquires profitable businesses with and without an existing management team in place.

Past acquisitions and continuing interest includes following industry segments:

- Distribution
- Water/Wastewater Related
- Healthcare
- Testing Businesses
- Pet Related Businesses
- eCommerce
- Route Based Businesses
- Software & Business Services
- Manufacturing

As always, you can rest assured that this buyer is real. If you have an interest in discussing this matter, please schedule a brief confidential call to discuss the possibilities. To schedule your best time for a call, you can use the “calendar” button at [www.chelsis.com](http://www.chelsis.com) and select the “Question and Answer” option. Otherwise, you can email me ([crhedges@chelsis.com](mailto:crhedges@chelsis.com)) or call me at 866-842-5151 (Direct).

Established in 1998, Chelsis Financial offers business owners a complimentary review to assess business value and to inform the decision to sell based on a validated asking price. All inquiries are highly confidential, leading to a quiet transfer of ownership. Connecting business owners with active merger & acquisition partners and motivated buyers is our business!
