**ROSS**  
**EXPEDITED TRANSPORT**

## Mission Statement

We exist to support businesses, government agencies, and supply chains that demand reliable, on-time, and accountable service — all while creating opportunities for other veterans and professionals committed to excellence in logistics.

## Core Competencies

Regional Freight Transportation (LTL & Final Mile): Serving Michigan, Ohio, Illinois, Indiana, and Pennsylvania.

Box Truck Operations (Non-CDL, 16-foot): Equipped for palletized, dry, and general freight under 10,000 lbs per load.

Flexible Load Scheduling and Same-Day Turnaround: Operates with regional flexibility and urgency to meet government or B2B delivery needs.

## Differentiators

Service-Disabled Veteran Owned Small Business (SDVOSB) Certified

Fully documented safety program and compliance system.

Digitally managed operations ensure accurate compliance, fast documentation, and a smoother experience for brokers and agencies.

Dedicated, detail-oriented service with the flexibility of a small carrier and professional discipline of a larger fleet.
