The Godfather Isn't Going Anywhere

A Hot Springs staple since 1975, Rod's Pizza Cellar will continue the same delicious flavors under new ownership. Owner/Broker Amber Henson of Urban Living and Development, Inc. reported the sale of the property on February 23, 2023 to Beasley Properties, Inc. The pizzeria was located for decades in Mowrey-Wyatt Plaza on Albert Pike Road before moving to its current location at 3350 Central Ave.

"There are no plans to change anything in the immediate future to the property or menu," said Lee Beasley of Beasley Properties, Inc. "It'll be the same Rod's recipes that I and everyone else have enjoyed for decades. I have great memories of going there with my dad." The restaurant serves pasta, salads, sandwiches and pizzas, including its signature Godfather.

"I'd eventually like to add a full-service bar and upgrade the interior space and make it a fun atmosphere," Beasley continued. "There's a great outdoor section, so I'd love to make an entertainment area. "

Beasley Properties, Inc. also owns and operates JB Chop House, McClard's Bar-B-Q and Sunset Grill on Lake Balboa.
