WHAT'S NEW

- **Developer Proceeds to Sparks Planning Commission**

The developer will present the planned development for the Foothills at Wingfield Springs at the June 29 meeting. The location and time of the meeting have not been determined.

The developer requires additional time to address the City Staff comments on the proposed development for Wingfield Springs. The City Staff will identify an appropriate date when the next round of revisions should be submitted by the developer. The developer has requested to be considered for the next available Planning Commission Meeting for Wingfield Springs which will be in September.
