The Art of Giving

Long before....

Your **favorite** perfume
brewing coffee
or the leather interior of a car...

Nothing! No, *nothing* smelled better

than a brand new **doll**.
Pure holiday happiness...
Making a *beeline*
for the wrapped **present**,
the *exact size and shape*
Anticipating the *doll* of your
dreams.

Yes! There she was...
untouched perfection

All yours
lifting her from the box... Cradled
in your arms. The spellbinding aroma
of *new doll delight!*
Into your heart she came to stay

and stay. Through all the years.

This season of **giving**...

Relive the **MEMORY** For yourself
and, create it anew...

for those you love. Every **hopeful heart** on your *list*.

Be the one to give the gift that lasts a lifetime.

Because,

you remember... **what a difference a doll makes.**

Magic happens when you Believe...

A tale is told by the very, very Oldes,
 Of a place they call "Fairy Glen".
 Where magical creatures with elfin-like features
 you'll see frolicking now and again.

When "Whispering Willow" glows soft as a pillow
 with eerie yet welcoming light,
 walk up to it slowly all humble and lowly,
 ancient home of fairy and sprite.

And what you'll find there!
 No wonders compare
 to the luminous beings so kind...

They'll whisper non-cess
 of love, laughter
 and peace...
 lifting all care
 from your mind.

So don't take it lightly
 this dreamscape shown nightly
 will ease all who doubt,
 fear or grieve.

There're no words to invoke
 or keyholes to poke.

All you must do is believe.
