

Red Cedar Canyon Townhouse Association

Mulch Policy

The RCCTA will continue applying mulch to the townhomes using the **established rotation schedule of every three years**. The schedule for the upcoming years is as follows:

Year	Units
2021	113-187
2022	37-111
2023	189-263
2024	113-187
2025	37-111
2026	189-263

Western Red Cedar Mulch is the official mulch of RCCTA. No other varieties are allowed (for example, we used Premium Cedar Mulch in the past but this is no longer acceptable nor allowed.) For unit owners not on this year's mulch list, and who would like to supplement mulch around their trees or units, they must use **Western Red Cedar Mulch**.

Either bulk or individual bags of **Western Red Cedar Mulch** can be purchased at Gerten's (5500 Blaine Avenue, Inver Grove Heights, MN, 55076, phone 651-450-1501) or Willow River (850 Kelly Road, Hudson, WI, 54016, phone 715-386-3196.)

Adopted by the Red Cedar Canyon Townhouse Association Board of Directors on May 18, 2021.
