Trying to get back on track with everything being shut down. We are doing what we can.

President- Kelly Martini

Provider Banquet: Trainer, Dinner, Door Prizes. We still plan to do one, it looks like it may be during December and we will mix it in with our Christmas party. We will probably keep it at the Church for the safety of all of us. Would cater-in food, etc. More to come. Any ideas, please reach out to a board member!

We are working to get as much training as we can. A lot of trainers are not doing training because of Covid, have looked into zoom but it is very expensive for us to host and for the trainers to train. We will keep everyone updated as much as we can.

We were working with DHS to have someone come in to do fingerprinting last year. However, with Covid everything got shut down. We are still trying to figure out what we can do so we can have someone come here to do our fingerprints for us. We will keep everyone updated as soon as we learn/figure out more.

Other/Old Business-

Reports/Announcements-

Adjourn 6:55 by Kelly Martini, 1st Sandie Trossen, 2nd Deb Rentchler.
