

Sponsorship Levels

Be the Fight Foundation (BFF) is very proud to raise funds to give invaluable assistance to kids with cancer and their families and to also help the Anthony Rizzo Family Foundation (ARFF) with their efforts. Not only does each level of sponsorship for the event on Saturday, November 2, 2019 offer different options for your company or family but also your donation helps us reach our goals to help as many families as possible when they need it most. Some sponsorships include tickets to the event, you can purchase more with the attached RSVP card. We hope you can find it in your "Hearts of Gold" to sponsor and attend this event where we will honor families giving their best FIGHT!
