

AND IT'S ALRIGHT

I can't decide, how I feel, about you
I can't decide, if what we do, is true
Nothing like the moon
To move it along
Nothing like the morning
To tell me I was wrong

*And it's alright. It's alright. It's
alright, It's alright.*

I can't decide,if it's..... good
I can't decide, but I know,
that I should
Things I remember
Like the sting of a bee
To soon to surrender..
For just tonight, keep on breathing.
And..
It's alright. It's alright. It's alright.

I can't decide, how I feel, about you
I can't decide, if what we do, is true
These things I remember
Like the sting of a bee
To soon to surrender
When your Just a child.. and your ..greiving.
...Keep on breathing..
Because..
It's alright. It's alright. It's alright,
It's alright.
