North Lake Improvement Association (NLIA)
Board Meeting Minutes
Date: October 14, 2026
Time: 5:30 pm
Location: via Teams meeting

1.. New Business

a. Discussed status of current CD's. It was decided to maintain 2 separate CDs. One in a 6 month CD and the other in a 11/12 month CD. The Treasurer will coordinate the exact timing based on what is available at Wells Fargo.
b. Question raised on the disposition of old records. 7 years old +/ It was decided to properly discard these records.
c. There was general discussion around the use of dock bubblers. It was agreed that information as to use of and best practice recommendations would be shared with membership if available. The Water Quality Committee will also discuss any recommendations which AquaLink may have.
d. One of the current ultrasound units is not functioning properly and it would be costly to repair, approximately $800-$1000. At the current time, the board expects to discontinue use of this unit due to cost/benefit. The 2 working units will continue to be used.

2. Old Business

a. Proposed revisions to the NLIA bylaws were reviewed and amendments discussed in detail.
b. Proposed amendments of such ByLaws will be shared with membership via Zeffy platform.

3. Announcements

a. Next board meeting is scheduled for November 11, 2026.

4. Adjournment

a. There being no further business, the meeting was adjourned
