

s soon after as  
practical. (Existing  
County roads can be  
improved even if they  
don't meet current  
standards, but all new  
roads must be built to  
standards before they  
will be included in the  
road system )

As per  
mass  
city  
web.  
page.

Attach. #2

**County roads—  
County legislative  
authority as agent  
of state—  
Standards.**

All of the county roads in each of the several counties shall be established, laid out, constructed, altered, repaired, improved, and maintained by the legislative authority of the respective
