Habakkuk 1:1 – He receives a vision / prophecy / oracle from God and it's not good news

Habakkuk 1:5-7 – God says He is going to rise up and use the Babylonians as His instrument of punishment for the people's sins

*** A whole lot of the Hell we go through in this life is self-inflicted / created by our own hands**

Habakkuk 3:16-19 – Habakkuk says when the impending suffering and doom arises for the nation he will rejoice in the Lord and be joyful

Self Inflicted

WHILE IN THE MIDDLE...I TOLD GOD THANK YOU

Acts 5 - Paul and Silas praise God after being beaten and in the middle of persecution

Acts 5:27-29 – We will obey God rather than man even if we must go through the fire / Hell

Acts 5:30-39 – The Sanhedrin wants to kill them but they are persuaded not to

Acts 5:40-42 – They are flogged and leave rejoicing with thankful hearts that they were worthy of such treatment for the name of the Lord

*** Flogged – Is to be severely beaten across your chest and back**

Jonah 2:9-10 (NKJV) – Jonah praying while in the belly of the fish – WITH THANKSGIVING

Look at his optimism while in the belly of the fish about what he will do after the Hell he is going through is over

He doesn’t have assurance that he will survive but speaks with faith of the future...we don’t know about tomorrow but we know who holds tomorrow in His hand

WHILE IN THE MIDDLE...I TOLD GOD THANK YOU

Job 1:20-22 – After receiving news that he had basically lost everything including his children Job worships (the devil even had a plan for his wife)

The Hebrew word for bless or praise in V21 is Barak meaning to; adore, bless and thank

V22 - In all this he did not sin and blame God for the Hell he was going through

WHILE IN THE MIDDLE...I TOLD GOD THANK YOU

Daniel 6 – Daniel gives thanks to God while his very life is at risk

Daniel 6:6-11 – Daniel prays and gives thanks as he asks for God's help...which came first? THANKS!

V16-22 – Daniel still wins in the Hell storm of the lion's den – God brought him through the storm

Matt 14:13-21 – Jesus gave thanks even though He didn't have enough

- God sees & knows the storms in your life
- God can make a way out of no way and bless you in the middle of a Hell storm

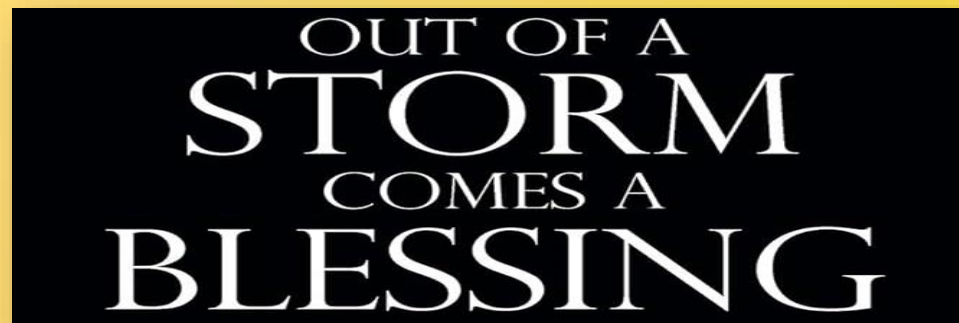

WHILE IN THE MIDDLE...I TOLD GOD THANK YOU
