

# Arizona Tritons Parent Code of Conduct

## Parent Agreement

Arizona Tritons parents support the team and their swimmers with integrity, honesty, and encouragement. We model a positive mindset, embrace teamwork, foster a love of learning and healthy habits, and treat coaches, officials, other athletes, and fellow parents with kindness and respect, helping our athletes thrive both in the pool and in life.

As a parent of an athlete member of the Arizona Swimming, Inc. ("AZSI") I understand and will comply with the USA Swimming Code of Conduct as outlined in the USA Swimming Rule Book and the U.S. Safesport Code available on the websites linked above.

The purpose of a Code of Conduct for athletes is to establish a consistent expectation for athlete member's parents behavior. By signing this code of conduct, I agree to the following statements:

- I will maintain a positive attitude and focus on positive outcomes, and offer honest, constructive feedback when needed.
- I have read, signed and agreed to Triton Elite Coaching Services's liability release and waiver at the time of registering my athlete.
- I will respect and show courtesy to my child's coaches, teammates and other parents at all times, on deck, and off, including on social media and GroupMe.
- Parents who exhibit sexist, racist, homophobic, or otherwise inappropriate behavior will be faced with consequences.
- I will demonstrate good sportsmanship at all practices and meets.
- I will set a good example of behavior for athlete participants.
- I will encourage my athlete participant to attend all team meetings and training sessions and notify their Coach in times of absence.
- I will show respect for all facilities and other property (including locker rooms) used during practices, competitions, and team activities.
- I will refrain from foul language, violence, behavior deemed dishonest, offensive, or illegal.
- If I disagree with an official's call, I will talk with my child's coach and not approach the official directly.

- I will obey all of USA Swimming's rules and codes of conduct as outlined in the current USA Swimming Rule book. Failure to Comply with Code of Conduct or failure to comply with terms and conditions of the Code of Conduct may result in disciplinary action. Such disciplinary action will be recommended by the direct Adult Supervisor (Coach, Parent Chaperone or Official) and determined by Head Coach and Board Leadership.
