

Everyday meals we actually eat—made bolder with a drizzle of Sister Suy's.

These are meals we actually eat – simple, satisfying, and made bold with a drizzle of Sister Suy's Hot Sauce. Whether you're pulling from the fridge or cooking with love, our sauces do the heavy lifting. You just drizzle and enjoy.

Avocado Toast with Feta & Cherry Tomatoes

Pairs with: Mellow Spice or Heritage Heat

Why: Creamy, tangy, and vibrant – perfect for any time of day

Toasted bread topped with smashed avocado, cherry tomatoes, and crumbled feta – finished with a bold drizzle of Sister Suy's.

We especially love this one with Mellow Spice for balance, or Heritage Heat when we want a kick.

Fried Noodles + Egg

Pairs with: Mellow Spice and Heritage Heat

Why: Layers of flavor – mellow first, then fire
Quick-fried noodles tossed with olive or sesame oil, garlic and soy sauce. Top with a crispy-edged egg and drizzle both sauces – smooth Mellow Spice + a hit of Heritage Heat.

Simple, cozy, and totally satisfying.

Fried Chicken + White Rice & Cucumber

Pairs with: Heritage Heat

Why: The ultimate spicy-sweet contrast
Crispy or oven-baked chicken served over warm white rice with sliced cucumbers and a generous drizzle of Heritage Heat.

A family favorite that never misses.
