Pool Guidelines

In the Island Quay neighborhood, we are serious about the safety and security of our pool in order to ensure that everyone using this facility will have an enjoyable time.

The pool is open from 9:00 AM until Dusk. The pool has a keyed entrance gate, a key is required to enter and exit the gate. Each homeowner has been given a non-duplicable key. If the key is lost or misplaced, a new key has to be requested by the homeowner. The replacement cost is \$100. Do not open the gate for anyone that does not have a key.

Please observe the posted rules particularly:

- Pets are not allowed in the pool or pool area.
- Diving into the pool is prohibited.
- Glass containers are strictly prohibited in the pool area.
- Children under 14 years of age must be supervised by an adult.
- Furniture is not to be placed in the pool.
- Gate to pool area must be latched at all times.
- Small children must wear baby or toddler swimmers or swim diapers.

There are a lifesaving ring and safety hook mounted on the west fence wall for emergency use only.

The telephone on the east wall of the pool building is for Emergency Purpose only and it automatically dials 911 when taken off hook.

If you should observe any dangerous or inappropriate behavior at the pool, please report it immediately to the Atlantic Beach Police.

The Sands Villa Resort is not a part of Island Quay and their pool is not for our use.
