Message from our President:

Well, it has been a crazy start to 2020! We had a great kickoff meeting, but then the pandemic came and everything changed. As strong women, we will endeavor to overcome this too. We can keep our spirits up and help where we can help. I know that this time in history will always be with us and how we handled ourselves and our families. With the stay at home orders and school closures, we are all thinking, "What am I going to do?" I am going to give you some ideas. You can do all of them or none of them; the choice is yours!

1. Get up every morning and feel the sun on your face.
2. Tell the people in your life that you love them.
3. Call a relative and check-in.
4. Wash your hands.
5. Wear a mask if you have to go out in public.
6. Give blood. (I am skirmish on this one)
7. Take your dog for a walk.
8. Breathe and then breathe some more.
9. Play a board game.
10. Make a video for TikTok.

You are stronger then you know. We can build houses, offices, schools, and skyscrapers because we are the Women of Construction New Mexico!

Your Board and Committees are still working to have Networking events and Luncheons for the rest of the year. We have added a bulletin board to the website with information on the COVID-19. So keep going to the website for updates on times and dates of our upcoming events. We are planning a Webinar in the next few weeks, so be on the lookout for that!

With Greatest Hope and Peace,

Barb Hatch
