

# Stackable Outdoor Sling Chair

## PRODUCT OVERVIEW

Our stackable outdoor sling chairs are engineered for commercial and residential environments—offering a unique blend of breathable comfort, durability, and space-saving efficiency. Ideal for patios, cafés, resorts, and hospitality venues, these chairs feature a mixed-metal frame and reinforced mesh seat for long-lasting outdoor performance.

Produced in punitive tariff-free India, our supply chain avoids the heavy import duties currently applied to similar goods from China (25%+) and Vietnam, Indonesia, and other Near East countries (up to 15%). Our factory is mass-market retail certified, fully inspection qualified, and production ready—delivering scalable, retail-compliant programs with unmatched speed and value.

## KEY FEATURES
