SKYE'S THE LIMIT FOUNDATION

Art Hike is a nature art intervention program that focuses on Nature as a form of Healing. Hiking requires comfortable tennis shoes and a water bottle.

Please be there in a timely manner. We will start the hike exactly at 9am. SLF staff will provide light refreshments and water if necessary.

Meet us at the Park!

It's Skye's Birthday, A day to reflect, help others, share love, and share kindness in honor of Skye, our founding name sake, Skye's the Limit! Foundation.

We'll have rocks to paint and place around the park.
