The Feast of the Exaltation of the Cross is an opportunity to celebrate the full significance of the victory of the Cross over the powers of the world, and the triumph of the wisdom of God through the Cross over the wisdom of this world. This Feast gives the Church an opportunity to relish the full glory of the Cross as a source of light, hope and victory for Christ's people. It is also a time to celebrate the universality of the work of redemption accomplished through the Cross: the entire universe is seen through the light of the Cross, the new Tree of Life which provides nourishment for those who have been redeemed in Christ.
