On November 28, we commemorate the holy, glorious, and all laudable Apostle Philip. Instructed in Holy Scripture from his youth, Philip immediately responded to the call of the Lord Jesus and followed Him (John 1:43). After the descent of the Holy Spirit on Pentecost, Philip zealously preached the Gospel throughout many regions in Asia and Greece. Many miracles were manifested through Philip, especially the healing of the sick, by which many pagans believed in Christ. The pagans seized Philip and crucified him upside-down on a tree, and then crucified Bartholomew as well. At that, the earth opened up and swallowed the judge and many other pagans with him. This wonderful apostle suffered in the year 86 in the time of Emperor Dometian.
