ST. NICHOLAS

The Feast of Saint Nicholas the Wonderworker

Children celebrate the feast day of Saint Nicholas with special joy and gladness. On this day, they believe the saint brings gifts and grants wishes. You could say that St Nicholas was the first secret angel, as he secretly delighted and comforted those in need. This is evidenced by the following Akathist lines:

"The maidens, prepared for a dishonorable marriage because of their poverty, saw thy great compassion to the poor, O most-blessed Father Nicholas, when by night thou secretly gavest their aged father three bundles of gold, hereby saving him and his daughters from falling into sin."
