Dormition of the Mother of God

Tropar — Tone 1

In giving birth you preserved your virginity,
in falling asleep
you did not forsake the world, O Theotokos.
You were translated to life, O Mother of Life,
and by your prayers, you deliver our souls from death.

Kondak — Tone 2

Neither the tomb, nor death could hold the Theotokos,
who is constant in prayer
and our firm hope in her intercessions.
For being the Mother of Life,
she was translated to life by the One
who dwelt in her virginal womb.
