Христос Родився! Славите Його! Christ is Born! Glorify Him!

A NEW JOY IS RISING
Нова радість стала

A new joy is rising,
Never so surprising,
A bright star above a dark cave
O'er the whole world is shining.

Just where Christ was born in,
From a Virgin saintly,
As a human, poorly swaddled,
Cuddled by Her gently.

Angels there are singing,
Lord God glorifying,
On the Earth and high in Heaven
Peace proclaiming, ringing.

Shepherd boys with a lamb,
The small Child adoring,
On their knees are falling, praying,
Their Lord King now homage paying.

To the master of his household
And his charming lady,
Grant true freedom, happy fortune
To Ukraine, Oh God, Your Peace!
