Dear Parish Family,
 I want to thank you all for your continued prayers, candles, cards, food gifts, and phone calls over the past 6 months. It was a very difficult time for me; I could not have done it without your sincere caring concerns. I am looking forward to my return to our weekly services and taking on my service activities. I had a successful surgery, but still have a little way to go. Thank God for His answer to prayers. I thank God for a thoughtful caring parish family.
