ON THE SUNDY OF THE PARALYTIC
“Through the holy Gospels the Church teaches us, brothers and sisters, how we must live in order to have a healthy spirit and a healthy body. Both the former and the latter were given us by the Lord. The Lord took our infirmities upon Himself, and He came to earth in order to heal us from sins; He took on our flesh, renewed it, deified it, and ascended with it into the heavens; He was in everything like us, except for sin. This was needed not by the Lord, but by us. He gave us an example by His life, by His teaching, and by His ascetic labor of the Cross.”

- Metropolitan Volodymyr
