Who shall roll the stone from the tomb for us? These words of the holy women have their own mysterious meaning. They are so edifying that love of neighbor and a desire for his spiritual benefit will not allow us to be silent about it. The tomb is our heart. The heart was once a temple, but it became a tomb. Christ enters it by means of the sacrament of Baptism, in order to dwell in us and work in us. Then the heart is consecrated as a temple to God.
