**ABOUT FASTING** The Fathers of the Church established the guidelines for Lenten Fasting. The rule of the Church for Lent is to "Strict Fast" - abstaining from meat and dairy products from the First Monday of Lent until Pascha, which includes both Saturdays and Sundays, which are considered a part of Lent. All parishioners are encouraged to partake of this practice as much as they are able. The Fathers of the Church have also put forth that a light and steady rule that is kept is preferable to a difficult one that is soon broken. Since not everyone is able to strict fast for the whole of Lent, one might consider simply fasting from meat. And is that's not possible, fast from meat during the weekdays of Lent. It is suggested that the following fasting discipline be observed as a minimum baseline upon which to build with each passing year: A strict fast from meat and dairy products on the first day of Lent, Good Friday and Holy Saturday and abstinence from meat on Wednesdays and Fridays, and the entire Holy Week. Please speak to me for guidance in determining a fasting regimen that makes sense for you, that challenges you yet is not detrimental to one's physical and spiritual health. The elderly and infirm are not bound by the physical fast. Also, fasting without increased prayer and acts of charity is merely a "diet" and will have no spiritual benefits. Pray, fast and help others and your church community. You will certainly be blessed! A beautiful Lenten Journey to All! Father Nick
