# How Can You Help?

Riley's Angels is a 501C3 non-profit agency and in order to continue our mission of helping others, we ask for your help.You can maximize your impact at no cost to you. This is as simple as a few clicks on your computer or a touch of your phone! We are currently enrolled in Kroger Community Rewards and in the Walmart Spark Good round up program.

**Kroger Community Rewards**

Go to www.kroger.com and sign in with your Kroger Shopper credentials (or create a new account). Go to MY ACCOUNT and choose COMMUNITY REWARDS. Search for Riley's Angels and click to select. There's nothing more to do. When you use your Kroger card (or number) when you shop, Riley's Angels will receive a small percentage of your purchase. Every quarter, your donation will show up in the Community Rewards area of your Kroger account so you can see all the good you do!

**Spark Good (Walmart)**

Go to www.walmart.com and sign into your account. In your account, click on GIVING & IMPACT. Choose SELECT LOCAL CHARITY, then delete the zip code that pre-populates and type in Rileys Angels (NO APOSTROPHE) IN THE SEARCH AREA. Once you select us, just confirm your choice. That's it! (Note that the Spark Good program does not work when purchasing in Walmart stores; just through their site.

**Like us on social media!**

Social media is a great way to share what we are doing in your community. On Facebook, we are Riley's Angels. On Instagram, we are rileys_angels. Please share our posts when you can and tag us in photos you post when you see us out in the community. Without our own facility, we are invisible to most of the local community and this is one way to help us get the word out about what we do for children, veterans, the elderly, and others within our area.

**Share your expertise**

We are constantly on the lookout for people with skills! Know anything about fundraising or grant writing? Love photography? Great at marketing? We're always in need of volunteers who can help us as we grow.

**Help us connect**

Do you work for a company or organization who might support this important work in their community? Do you belong to a group that we should talk to? Please share names and contact information with us so we can follow up.

**Donate!**

Obviously, it takes money to source, raise, and train certified therapy dogs. Medical care and food alone are big expenses. Would you like to sponsor a dog on a monthly basis? Please talk to us about your desired level of giving and we can share some ideas.
