Greetings:

As Mayor of the City of Atlanta, it is my pleasure to welcome attendees and members of Prophetic Intelligence as you convene for the *5th Annual Apostolic Prophetic Convergence Workshop*.

Prophetic Intelligence has been devoted to providing sessions that inform participants on ways to relate their biblical principles to their roles in the world's economy, politics, and digital acceleration. During this experience, attendees will have opportunities to engage and share their common responsibilities and concerns in a rapidly changing world. I am confident this workshop will provide your members and participants with an important forum to learn, empower and innovate.

As you prepare for the *5th Annual Apostolic Prophetic Convergence Workshop*, I would like to salute those in attendance for your enduring commitment and dedication. Your devotion to uniting those from the faith community to assist future leaders on their journey is truly admirable. Continue to inspire others and allow them to witness your grace as you make a positive difference in the world around you.

On behalf of the people of Atlanta, I am proud to extend best wishes for a memorable celebration.

Sincerely,

Mayor Keisha Lance Bottoms
