Mark your calendars for May 3, 4 & 5, 2019 for the largest, most exciting family event in central Texas. The Central Texas Airshow will be an electrifying weekend of non-stop flying aircraft, old and new, civilian and military featuring Matt Younkin and Tora, Tora Tora.

The Airshow is looking for *your* support and participation as a concessionaire or exhibitor for this years show! With three days of action packed Aviation related events, our attendance is expected a tremendous increase, since the Central Texas Airshow is allowing current active duty and retired military with military ID into the show for free. The show is highly advertised through TV, website, radio, newspapers and social media throughout the state of Texas. You too can reap the rewards as a vendor.

As always the Central Texas Airshow's mission is to promote Aviation education, increase flight safety at Temple & Georgetown airports.

We look forward to your participation in the 2019 Central Texas Airshow. Remember to get those applications in. Letters of Approval will go out no later than April 10, 2019. Feel free to contact us with any questions.

Looking forward to seeing you at the Show!
