

Maggie Leon Consulting

Your On-Demand, Fractional Learning and Development Partner

What is Fractional L&D?

Fractional Learning & Development (L&D) gives you the expertise of a Learning and Development Executive on demand. It's the best way to scale your learning programs without the overhead of a full-time hire.

With Fractional L&D, you get senior-level leadership to design strategy, launch programs, and empower your teams, *when* and *how* you need it.

Why Clients Choose Fractional L&D:

- **Executive-Level Expertise, On Demand**
Gain access to experienced leadership without the cost or delay of a permanent hire.
- **Agility & Speed**
Scale initiatives quickly to match the pace of your business.
- **Proven Impact**
Implement strategies that deliver measurable results and lasting value.
- **Sustainable Growth**
Equip your internal teams to carry programs forward with confidence.

Our Services

L&D Strategy

Let us design and plan your next L&D solution.

We uncover opportunities, align learning to business goals, and design tailored learning solutions that ensure your investment in people delivers measurable business results.

L&D Programs

Let us build a custom solution for you.

From onboarding to leadership development and more, we bring your custom learning plans to life by creating engaging, impactful programs that build skills, boost retention, and drive performance.

L&D Team Enablement

Let us prepare your staff.

We empower your internal teams with training, coaching, and toolkits so they can confidently manage and evolve programs long after our engagement ends.
