If you want to bring additional clothing or camping gear that is fine. All Young Marines are to eat before coming to the Campouts. Dark Clothing or old uniforms are used for night games. Young Marines are to show up in civilian attire, not a uniform. ABSOLUTELY no hatchets or axes or guns.

Parents: The above list is a list for a general idea of what is needed. If you don't have what is needed and can not afford it don't worry about it. We are a team that shares or loans gear as long as it is available. It is very important to stay warm and dry.
