

Dear Friends of RE/MAX Success,

RE/MAX Success is committed to giving back. We have started a charitable organization called **Success Charities, Inc** which is dedicated to lifting up and serving the needs of our community.

In the past three and one half years we have raised over \$265,000.00 to help various causes, organizations and individuals such as Central Coast Honor Flight, Senior Centers, Operation Surf, Hospice of the Central Coast, North County Youth Sports, Meals That Connect, High School Scholarships, Let Your Light Shine Special Ed Prom, ECHO among many others.

This year we are hosting Night of Hope at Le Vigne Winery in Paso Robles. We are limiting our event to 140 people so make sure you get your tickets early. Tickets are \$150.00 and will include a Winemaker Dinner prepared by Chef Walter Filippini, 2 drink coupons, live music, and a silent and live auction. There will be a bagpipe playing as the Memory Walk processes in honor or and memory of those who have fought the battle. You can purchase luminarias for your loved ones and decorate on site or order them ahead of time.

We are looking for sponsors for this important event. Your donations and sponsorships will have a direct impact right here in the San Luis Obispo County. Here is how you can participate:

- Sponsorships (see enclosed opportunities)
- Donating items to our silent auction
- Attending this great event

Some of our beneficiaries for this event will include Sabe's Wings, 17 Strong, End Kids Cancer, along with individual grants.

Thank you for your consideration. We look forward to your support! Please call us with any questions.

Elissa Williams 805-227-5622.
