Special Business Meeting Tonight

Agenda

Order of Business 1-1-22

A recommendation from our Church Council that we call Bro. Jess Sumrall to lead the church through the SmartStart Interim process, which takes between eight to twelve weeks.

Order of Business 1-2-22

A recommendation from the Personnel Ministry Team to call Bro. Charles Treat as Assistant Youth Pastor.

SCHEDULE CHANGES!!

Beginning January the food pantry will be open the 1st and 3rd week of the month only. Each family receives boxes every other week so this will still allow for all the families we have been assisting to still receive the same amount of food by coming the same week rather than alternating weeks. This is an experimental idea and if needed they will go back to every week. Volunteers and food or monetary donations are always appreciated.

If you are going to be away from church during any of our Sunday worship services, you can watch our Live Stream from our website, smart phone or smart TV. You can also watch prior services from our On-Demand page. Check out the web site for the church birth-day list and calendar for upcoming events.

There is an FM hearing system available in the sound booth.

Disaster Relief

If you would like to give financially to help with the recent disasters this is your final week to donate. Please write in the memo line of your check and/or the outside of your offering envelope that you wish for it to go to disaster relief and we will make sure that it is sent to those in need. We will be sending all funds collected to a church in Trumann to help with that area. Collected to date: \$4,040.00

The flowers on the altar this morning have been placed in memory of Bob Goff.

Cancellation Information

With winter fast approaching we felt it time to remind you of how we handle cancellations. In the event of bad weather, tune to radio station 98.3 FM for a list of church cancellations. ALSO, if it is a Sunday morning cancellation they will broadcast a pre-recorded service at 11 am that we gave to them in advance. We often use guest speakers on such recordings.
