If you are going to be away from church during any of our Sunday worship services, you can watch our Live Stream from our website, smart phone or smart TV. You can also watch prior services from our On-Demand page. Check out the web site for the church birthday list and calendar for upcoming events.

There is an FM hearing system available in the sound booth.

The December financial statement has been posted on the bulletin board in the hallway.

Thank you for all the help, flowers, food, prayers and support during our recent loss. Bill always talked about how important church family was and we have seen it demonstrated.

Sincerely – The Circle Family

Questions and Concerns

We are going to work hard during this transition time of finding a new pastor to keep you informed. If you have questions and concerns there is a form on the foyer table you can fill out and place in the offering plate. Please list your name and phone number so someone will be able to get back in touch with you.
