We still need lots of helpers for our block party ministry. The ministry would travel to different churches in AR at various times and do a one day event helping the church hosting the block party to minister to their community by setting up inflatables for children and serving carnival type foods like hot dogs and popcorn. And most importantly, the message of Jesus will be shared. We would also have block parties here and at the factory a couple of times a year. If you would be interested in serving in this ministry please contact the church office.

Our Rocky Bayou association is very involved in disaster relief efforts. They have teams deployed often and do training to work with disasters at various times. If you would like to serve in this area contact the church office and we can connect you to the right folks.
