TODAY'S MESSAGE:

The Rapture Explained 1 Thessalonians 4:13-18

Disaster Relief

We are working with a sister church in Sulphur, LA, Trinity Baptist Church. Hurricane Laura recently struck their area and caused widespread structural damage to homes and businesses. Bro. Larry has asked our church family to support that church as a mission endeavor for the foreseeable future to help them and their community recover.

Things you can do:

1. Pray for them.

When Bro. Larry first spoke with Bro. Lamar, the pastor of the Trinity Baptist Church, he was overwhelmed with the pain his family, church family and community were feeling, yet trusting our Lord. When Bro. Larry last spoke with him, he was very tired, as one would expect, but hopeful and continuing to trust in Jesus. Your prayers for the people to have hope in Christ are most important and they are working.

2. Give Financially (all monies given through our church family for "Disaster Relief" will be used to aid Trinity Baptist Church in their recovery, ministry efforts. Your gifts will be tax deductible).

3. Go. We are in the planning stages now. We will be taking a team this fall (hopefully mid November) to the Sulphur area to do clean up, which will include a lot of chainsaw work. They have asked we not come till power is back on and people can begin to come back into their area to start clean up.

They are currently in need of twin air mattresses and non perishable food items. We will be going soon to survey the area with Bro. Lamar and see how our team can best prepare to come help them. At that time we will take items to them. When we know this date we will let you know where to bring donations.
