What We Are Learning

Dear Families,

We're having an exciting month filled with learning, creativity, and fun! Here's what your child will be exploring in the classroom. Our students are exploring exciting letters, animals, and fall-themed activities! We have fun fall and Thanksgiving activities planned children will make handprint turkeys, they'll learn about Thanksgiving. Students will make pumpkin muffins we'll create a Thankful Tree. Families are invited to our family fitness day and Thanksgiving Celebration for crafts, songs, and festive fun.

Teacher of the month
Ms.Sisi

We are thrilled to recognize Ms. Sisi as our Teacher of the Month! As a new member of our team working with Pre-K 3, she has quickly become a wonderful addition to our school family. Her dedication, creativity, and enthusiasm shine through every day, and we consistently hear about the high level of student engagement in her classroom. Ms. Sisi has a natural ability to connect with children, making learning fun, meaningful, and exciting. Her positive energy, commitment to her students, and eagerness to go above and beyond truly set her apart. We are so grateful to have Ms. Sisi on our team and celebrate all the incredible ways she supports our students' growth and joy in learning.
