March 2025

## What We Learning

Dear Families,  
We are excited to welcome the month of March! This month our students will continue building important early learning skills through hands-on activities, creative projects, and spring-themed learning experiences.

Throughout March, students will be working on their Mini Alphabet Books, helping strengthen letter recognition and early literacy skills. We will also be reviewing letters A-Z, practicing letter sounds, and participating in fun letter hunts around the classroom to reinforce learning in an engaging way. As we welcome spring, students will explore exciting science concepts including planting seeds, learning the parts of a plant, observing and measuring plant growth, and building their spring vocabulary through discussions and activities.

## Reminders

Schooler parents, please notify the front office if your child(ren) will be attending during Spring Break. This will help us properly prepare staffing and plan engaging activities for all students who will be present.  
Thank you for your cooperation!

## Upcoming Events

- March 17<sup>th</sup> St. Patrick's Day party
- March 18 library field trip for prek4 and schoolers
- March 20 Kite Day!

## Employee of the Month

Ms. Aibil is always dependable and consistently present, bringing positive energy and dedication to our school each day. She has made a wonderful impact on our infant classroom, creating a warm, nurturing, and safe environment where our little ones feel loved and comfortable.

## Student of the Month

We are excited to recognize Elliana Burns as our Student of the Month! Elliana is a wonderful student who consistently shows great effort and enthusiasm in everything she does. She comes to class ready to learn, participates actively in activities, and demonstrates positive behavior each day.
