## What Were Learning

Dear Families,

We are so excited to share all the wonderful learning happening in our classrooms! Each week, we'll focus on a special theme, a letter of the week, and an animal friend that ties into our lessons. This helps make learning fun, hands-on, and connected across subjects.

In class, we'll be exploring activities, stories, and projects that connect to these ideas. The children will have opportunities to read, write, create, and play while building important skills.

## Home activities

We know children thrive when learning is supported at home, so each week we'll be sending home a simple activity for you to enjoy together. These activities are designed to spark conversation, practice new skills, and let your child share what they're learning in school. We can't wait to see all the excitement and growth as we continue this journey of learning together. Thank you for being our partners in education!

## Upcoming Events

- No School: September 1
- September 18<sup>th</sup> dress up as a cowboy or cowgirl
- September 26<sup>th</sup> wear yellow

## Special Shoutout

We want to take a moment to celebrate and recognize our amazing staff. Each day, we see how hard you work, not only teaching, guiding, and supporting our students, but also going above and beyond to make our school a place where children feel loved, encouraged, and inspired.

Your dedication shines in the big things and the small moments, lending a hand to a colleague, showing patience and kindness to every child, and always going the extra mile to ensure our students have the very best.

Thank you for pouring so much heart into what you do. Because of you, our students are thriving, our families feel supported, and our school community is stronger than ever. We are deeply grateful for all that you do, every single day.
