

# HAPPY NEW YEAR!

JANUARY 2026 NEWSLETTER

## WHAT WE'VE LEARNED

Over the past few weeks, our classrooms have been busy learning and growing! The children have been exploring letters, numbers, colors, and shapes through hands-on activities, songs, stories, and group discussions. We've been practicing fine motor skills through tracing, cutting, and art projects, while also strengthening social skills like sharing, taking turns, and using kind words with friends.

## WHAT WE'RE CONTINUING TO LEARN

As we move forward, we will continue building on these skills while introducing new concepts to support each child's development.

## TEACHER OF THE MONTH

Ms. Stephanie has truly gone above and beyond and has been an incredible addition to our team. Although she is a new teacher, she has already accomplished so many amazing things in her classroom. Her genuine love for the children and passion for education shine through in everything she does. She creates a welcoming, nurturing environment where students feel supported, encouraged, and excited to learn.
